<b>200170079B - Development of the Port of Dubrovnik</b>	TDA approved a US\$71,540 grant to fund a feasibility study to EBRD and Durovnik Port Authority for the Port of Dubrovnik Development project for the propose of improving the current port facilities in Dubrovnik. The Port of Dubrovnik is a popular stop for tourist on cruises between Venice and destination in the Aegean Sea and the facilities currently available are not capable of serving the needs of the cruise or liner ship market. This project will represent an enormous development priority by improving the total GNP. Funded and implemented by Trade Development Agency.	Tourism Sector Development	<b>71,540</b>
<b>200270016A - Rijeka and Sisak Refineries Upgrades</b>	TDA approved a US\$410,000 grant to partially fund a feasibility study on the modernization of the Rijeka and Sisak oil refineries upgrade project. The upgrades for the rehabilitation will be in two phases (1) production of EU specification fuels by 2005 & improve ability to process higher sulfur crude and (2) after 2005, eliminate the production of high sulfur fuel oils and produce electricity for use within the refinery and for sale. The oil refineries are managed by Croatia's state-owned gas and exploration company, INA. Funded and implemented by Trade Development Agency.	Business Services & Training	<b>410,000</b>
<b>Growth of a Dynamic and Competitive Private Sector</b>	In FY 2002, USAID resources will fund technical assistance and training activities aimed at improving the overall environment for private sector development and to stimulate the growth of small and medium enterprises in Croatia. These include commercial law reform; privatization in both the agricultural and general enterprise sectors; bank supervision; energy sector reform; government fiscal reform; competitiveness; economic policy technical assistance; and development of the business support services industry that supports the Small and Medium Enterprise (SME) sector. Many of these programs were recently put in place in a new portfolio of activities as a component of the new USAID/Croatia strategic plan adopted in the spring of 2001. Funded and implemented by USAID/Croatia.	Export Promotion	497,000
		Business Services & Training	1,498,000
